

# **Research in Progress**

**Biochemistry and Molecular Medicine**

**Cell Biology and Human Anatomy**

**Jisoo Han**

**Graduate Student**

**Department of Cell Biology and Human Anatomy**

**“Neuronal Migration in Cerebral Cortex during  
Development”**

**Cesar Canales**

**Postdoctoral Scholar**

**Department of Cell Biology and Human Anatomy**

**“Studying the role of the CRL5 complex in adult  
neurogenesis in the hippocampus”**

**Monday, March 20, 2017**

**12:00 – 1:00pm**

**2133/2135 Tupper Hall**

Bagels will be served.
