

# **Research in Progress**

**Biochemistry and Molecular Medicine**

**Cell Biology and Human Anatomy**

**Corinne Fairchild**

**Postdoctoral Fellow**

**Department of Cell Biology and Human Anatomy**

**“Let-7 regulates cell cycle dynamics in the embryonic retina and cortex”.**

**Adam Miltner**

**Graduate Student**

**Department of Cell Biology and Human Anatomy**

**“Developing cell replacement strategies for retinal neuropathies”**

**Monday, March 19, 2018**

**12:00 – 1:00pm**

**2133/2135 Tupper Hall**

Bagels will be served.
