Cell Biology and Human Anatomy

Yuanzhi Lyu

Postdoctoral Fellow

Biochemistry and Molecular Medicine

“Epigenetic regulation of KSHV replication by viral transactivator-cellular zinc finger protein interplay”

Yoshihiro Izumiya

Associate Professor

Biochemistry and Molecular Medicine

“Studying Epigenetic Gene Regulation with Herpesvirus Infection as Unique Model System”

Monday, March 26, 2018

12:00 – 1:00pm

2133/2135 Tupper Hall

Bagels will be served.
