

# Integrated Explorative Patient- and Learner-Oriented Education (I-EXPLORE): Three-Phase Education (e<sup>3</sup>)

## Overarching Principles

3 Pillars		
Biomedical Science	Clinical Science	Health Systems Science
4 New Threads (joining Pain Medicine and Behavioral Health):		
<b>Diagnostic Medicine</b> including laboratory medicine, radiologic imaging, and point of care ultrasound		
<b>Stages of Life</b> including pediatrics, sex/gender-based medicine, disability/chronic illness, geriatrics, and death/dying		
<b>Care for Vulnerable Populations</b> including social determinants of health		
<b>Preventive Medicine</b> including nutrition, exercise, obesity, alcohol, tobacco, sleep, wellness and cancer prevention		
Assessment		
Entrustable Professional Activities (EPAs) Weekly formative NBME-style quizzes Summative NBME exams		
Areas of Scholarly Concentration		
Care for the Underserved • Clinical or Translational Research • Medical Education • Health Care Policy/Advocacy • Patient Safety/Quality Improvement • Global Health		

## Three Phases

## Comparison with Current Curriculum

Phase	I-EXPLORE Plan	Current
<b>Pre-Clerkship</b>	91 weeks August - April	91 weeks August - April
Required Content Weeks	66 weeks	71 weeks
Intersessions	4 weeks	None
Longitudinal Clinic	Begins Week 9	None
Summer Break + Other Vacation	8 weeks + 5 weeks	5 weeks + 7 weeks
Step 1 Study/Elective	8 weeks	8 weeks
<b>Clerkship</b>	52 weeks	52 weeks
Family Medicine	6 weeks	4 weeks
Internal Medicine	6 weeks	8 weeks
Ob/Gyn	6 weeks	8 weeks
Pediatrics	6 weeks	8 weeks
Psychiatry	6 weeks	8 weeks
Surgery	6 weeks	8 weeks
Selectives	6 weeks	4 weeks
Longitudinal Clinic	Moved to pre-clerkship and increases to approximately 28 half days	18 half days
Intersessions	6 one-week intersessions	None
Vacation	4 weeks	4 weeks
<b>Post-Clerkship</b>	65 weeks	65 weeks
Required Content	36 weeks	38 weeks
Emergency Medicine AI	4 weeks at UCDMC	4 weeks at UCDMC
Neurology ACC	4 weeks	No Neurology requirement
Inpatient AI	4 weeks in core clerkship department at UCDH	4 weeks in core clerkship department at UCDH
Additional AI	4 weeks at UCDH or away	4 weeks
ICU AI	4 weeks (counts as Inpatient or Additional AI)	No ICU requirement
Area of Scholarly Concentration (ASC)	4 weeks (optional)	4 weeks (optional Doctoring 4/SPO)
Electives	Complete remainder of required weeks	Complete remainder of required weeks
Transition to Residency	4 weeks with specialty-specific biomedical science	2 weeks
