

## RFQ FOR MATERIALS TESTING AND SPECIAL INSPECTION SERVICES

UC Davis Health in Sacramento, California requests Statements of Qualifications **on or before 2 p.m. Friday, April 25, 2025**, from qualified firms interested in providing materials testing and inspections for the following project:

### PROJECT NO. 9557460 UC DAVIS HEALTH MEDICAL CAMPUS OR MODERNIZATION INTEGRATION

The goal of this project is to integrate OR technology on the UC Davis Health's Surgery & Emergency Services Pavilion (SESP) and Same Day Surgery Center (SDSC) by addressing needed upgrades to the OR Lights/Monitor booms due to boom failures beyond the ability to repair and/or replace parts.

In the SESP building, the OR modernization project will upgrade the Audio/Visual Technology within the twenty-four (24) operating rooms. This includes combining the AV network head end equipment into one new centralized AV Room. Four (4) of the twenty-four (24) ORs will require conversion to Cardiovascular Operating Rooms (CVOR's), requiring reconfiguration of the room orientation, structural components, medical gas needs, laminar air flow, and technology upgrades. The project will include equipment improvements to the Pre-Op and PACU areas, including remodel of the SESP L3 OR Waiting Room.

Project Delivery Method: Progressive Design-Build

Estimated Construction Cost: \$63M

Estimated BGSF: 46,021 GSF

Estimated Construction Duration: 1284 Calendar Days

Permit 2 Phase: Operating Rooms, PACU & Pre-Op Renovations (July 2025 – July 2028)

Permit 3 Phase: Waiting Room Renovation (Dec 2025 – Jan 2027)

(Permit 1, Make Ready already ongoing is not part of the scope of this RFQ)

This selection process will identify the most qualified firm to provide the OR Renovation project for Materials and Special Inspection. The nature of the services requested and the duration of the project involved require a multi-year contract from approximately 2025 to 2027. The University expects the Proposer to adequately staff the Project with fully qualified inspection staff as the job demands.

The Special Inspector shall perform its services in accordance with the approved plans and specifications, applicable codes, regulations, and accepted testing procedures and shall furnish all material, labor, equipment, and tools. All Special Inspectors shall perform all services provided in accordance with the Contract Documents, Title 24 of the California Code of Regulations (as amended), Design, and Construction of Buildings Under HCAI Jurisdiction by the California Healthcare Foundation, dated March 2006, HCAI, and all applicable State and local codes and regulations.

The RFQ package with additional information and attachments can be downloaded directly from our website at <https://health.ucdavis.edu/facilities/work-with-us/consultants/rfq> starting Friday, April 4, 2025.

Statements of qualifications shall be specifically tailored to this RFQ, responding directly to the screening criteria (See RFQ document and Consultant Qualification form available on the above link). After Qualification Statements are received, a Screening Committee will review, conduct reference checks and recommend a shortlist of firms. A Selection Committee will conduct the discussions with shortlisted firms prior to selecting the successful consultant.

Statements of qualifications must be submitted electronically no later than **2 p.m. Friday, April 25, 2025**, to the link to be provided by UC Davis Health. No hard copies will be accepted. Firms interested in responding to this RFQ must notify the University by Thursday, April 24, 2025, to be provided a link to upload their Qualifications package. Questions and requests for the link to upload statements may be addressed via email

only to Leila Couceiro, FP&D Contracts Manager, at [lccouceiro@ucdavis.edu](mailto:lccouceiro@ucdavis.edu).

Statements of Qualifications will not be accepted after the date and time stipulated above.

Every effort will be made to ensure that all persons have equal access to contracts and other business opportunities with the University within the limits imposed by law or University policy. Each firm may be required to show evidence of its equal employment opportunity policy. The successful firm and their subconsultants will be required to follow the nondiscrimination requirements set forth in the Agreement documents and to pay prevailing wages at the location of the work. The work described in the Agreement is a public work subject to section 1771 of the California Labor Code.

Consultant/Design Professional shall pay all persons providing services and/or any labor on site, including any University location, no less than UC Fair Wage (defined as \$15 per hour as of 10/01/2017) and shall comply with all applicable federal, state and local working condition requirements.
