

STOP COVID-19

MINIMIZE CAMPUS ACCESS

Only personnel with proper authorization and a need to access physical locations on campus should be on-site.

MAINTAIN SOCIAL DISTANCING

Maintain at least 6 feet between people at all times, unless otherwise authorized and PPE appropriate for the context is used. Do not gather in groups more than what is limited by county officials.

WEAR A FACE COVERING

It is required to cover your mouth and nose with a face cover when around others and when moving through common spaces. Wear disposable gloves at the bench.

WASH HANDS REGULARLY

Wash your hands often with soap and water for at least 20 seconds before putting on and after removing gloves.

DISINFECT COMMON SURFACES

At the start and end of the workday, disinfect common contact sites (keyboards, door handles, multi-user equipment, etc.)
