

## **Pediatric Residency – Sample Career Night Questions**

Questions to consider asking at the Career Nights:

- 1- What is your present position? (Please give percentage time and roles)
- 2- How did you arrive at this position (including past experience, if you think this would be helpful)?
- 3- What do you enjoy about your job?
- 4- What do you not enjoy or have found difficult about your work?
- 5- What have you found surprising along your journey?
- 6- What advice do you have for residents applying for a general pediatric position?
