Advanced Practice Grand Rounds

Radiographic Findings Associated with Surgical Emergencies

Ho H Phan, M.D.

Dr. Phan works in the Division of Trauma, Acute Care Surgery, and Surgical Critical Care. His primary clinical practice focuses on the care of critically injured and emergency surgery patients. His other interests include abdominal wall reconstruction and anterior spine exposure.

His academic interests include surgical education, particularly medical student education and outcomes in Trauma and Acute Care Surgery. His philosophy of care is treating patients as if they are his own family members.

Education

B.S., UCLA, Los Angeles, CA 1995
