Advanced Practice Grand Rounds

Legislation in Advance Practice

Christi DeLemos, MSN, CNRN, ACNP-BC

Christi is Chief of Advanced Practice at UC Davis Health System since 2017. She is a master's prepared board certified acute care nurse practitioner with seventeen years of experience in surgical specialty care.

She began her nursing career more than 25 years ago with the primary purpose to provide the best care possible. Over the years she has taken on many roles in research, nursing management and advocacy, but her personal goal has remained unchanged. She believes leadership in the nursing profession is about providing the best care possible but on a larger scale. It's about empowering nurses to be patient advocates and to take their place at the table as professional competent healthcare providers

Awards: Magnet Nurse of the Year, Daisy Award, UC Davis Clinical Excellence Award, UC Davis Wellness Award, Mercy Health Mcauley Award for outstanding achievement, Excellence in Care Award Kaiser
