## **Advanced Practice Grand Rounds**

### **Geriatric Pharmacology**

**Charity Hale, Pharm D**

Dr. Charity Hale is a pharmacist with specialized training in Pain Management and Palliative Care. She has eight years of experience and is a Senior pharmacist on the Pharmacy Pain Management team which serves a diverse patient population with cancer and non-cancer related pain.

She is an educator who teaches for many groups including being the instructor of record for the UCSF Interdisciplinary Pain Management and Palliative Care Course. She provides bedside teaching to Pain and Palliative Care fellows, pharmacy students, pharmacy residents and medical students. Her main research interest lies in predictive model for opioid induced respiratory depression. Charity is the co-chair of P&T's subcommittee, Pain and Sedation. She is heavily involved with policy, guideline, order set development, and maintenance improving patient safety and quality of patient care.
