Sierra Donor Services

Ginni Jannicelli

Ginni Jannicelli is the Senior Hospital Services Coordinator for Sierra Donor Services and works in the UC Davis Health System as an advocate to hospital organ donor support, referrals, and resources. Ginni has over 22 years of experience working and advocating for donor services. She is known to possess the ability to combine compassion and professionalism while staying informative as she assists families in deciding towards their loved ones' donation wishes. She has provided multiple presentations relevant to donation process.

This Advanced Practice Grand Rounds Lecture will be reviewing Sierra Donor Services; discussing provider consideration pertaining to the referral process, review various tissue and organs considered for potential donation, outline the Sierra Donor Services resources, and review updated donor guidelines.
