

**Name:** Rachael Lee

**Title:** Advanced Practice Nurse Specialist

**Address:** 2315 Stockton Blvd Sacramento CA 95817

**Email:** rollee@ucdavis.edu

**Specialty:** Inpatient Pediatric Diabetes

**Philosophy of Care:** I became a diabetes nurse specialist to bring the shared experience of living with diabetes to my patient interactions. Through each patient experience, I value person-centered care. Using a strengths-based approach, I partner with patients and families to deliver age-appropriate care so patients can live their best life with diabetes.

**Education:**

- MSN – University of California San Francisco 2018
- BSN – Samuel Merritt University 2011
- BA Public Health – University of California Berkeley 2009

**Certification:**

- Certified Diabetes Care and Education Specialist
- Advanced Diabetes Management
- Family Nurse Practitioner
