Advanced Practice Grand Rounds

Diabetes Technology & Medication

Sima Sitaula, D.N.P., F.N.P.-C., B.C.-A.D.M., is a Nurse Practitioner specializing in advanced diabetes management. She earned her B.S.N. and F.N.P. degrees from Prairie View A & M University, Texas. She has received Doctorate of Nurse practitioner degree with focus on diabetes management from San Jose State University. She maintains a busy and productive practice at Lawrence J Ellison Ambulatory Care Center and the Roseville Endocrine clinic at UC Davis Health, Division of Endocrinology, Diabetes, and Metabolism.

She is a chair of the Advanced Practice Journal Club Council at UC Davis. She co-authored the chapter titled "Common Endocrine/Metabolic Disorders Encountered in the Primary Care Settings" in the Textbook of Adult-Gerontology Primary Care Nursing: Evidence-Based Patient care for Adolescents to Older Adults. She mentors and precepts FNP students and fellows. Additionally, she contributes to the education of medical students by serving as a facilitator for the ENGR course multiple times. She has presented updates on PCOS in the department's Endocrinology Clinical conference.
