Electrolyte Management in the Clinical Setting

Dr. Lauren Damon received her undergraduate degree in Molecular Biology at Johns Hopkins University, Baltimore and completed her medical degree and residency in Internal Medicine at UC (University of California) San Francisco. She has published numerous journals in her career and was a recipient of Diamond Doc Award in 2022.

Dr. Damon is a hospitalist in UC Davis Health dedicated to providing high quality, patient-centered care for adults in the hospital and to providing medical education to student and resident learners.
