

### Our speaker:

Felicia Corbett has been practicing as a physician assistant for 14 years with the last 11 years at UC Davis. She provides transition of care services for patients admitted with a heart failure exacerbation and is the primary contact for the heart failure consult service. She is involved with the left ventricular assist device program and is excited about our heart transplant program starting in the near future.

She was previously a middle school science teacher with a MA in Secondary Science Education from NYU and still holds her love for teaching close to her heart. Received her MS in Physician Assistant Studies from the University of St. Francis in Albuquerque before return to her native California

Felicia A. Corbett PA-C,  
MA, MS  
October 2nd
