

### Our speaker:

Laura Sperry is a board certified Adult Nurse Practitioner and the Clinical Coordinator for the Deep Brain Stimulation (DBS) Program at the University of California, Davis Medical Center in Sacramento, CA.

She has a Bachelor of Science degree in Genetics from UC Davis and a B.S. in Nursing from Johns Hopkins University. She completed her Master of Science in Nursing from UC San Francisco in 2004 and has been coordinating the DBS program at UCD since 2012. She co-facilitates a class called "Staying Healthy with Deep Brain Stimulation" and runs a monthly class on Deep Brain Stimulation for prospective surgical candidates.
