

WHY UC DAVIS?

We all want a world that is healthier, sustainable, safer and more enjoyable. UC Davis is helping us get there by striving to always put people first. As a top-ranked research university, and the second-largest employer in the region, it's no wonder our employees are leading the way in teaching, research, public service and patient care.

GROWING

Our APP workforce is growing. UC Davis is at the forefront of incorporating CRNAs, NPs and PAs as part of interprofessional care teams to support increasing numbers of complex care patients.

COMMUNITY

At UC Davis, we work hard to build a community of providers that are committed to creating a place where people from all walks of life can learn, grow and discover together. Our advanced practice providers are focused on working in a team based environment to deliver the highest level of care to our patients.

WORK/LIFE BALANCE

UC Davis is committed to supporting a culture that balances work and your home life. Work/Life balance is a major non-monetary component of the total rewards package and a contributing factor in attracting and retaining top-quality talent.
