

June 3, 2024 from 5:30 - 7:30 p.m.

Education Building, Lecture Hall 2222
4610 X Street, Sacramento, CA 95817

Invited guest speakers:

Juan Carlos Fernandez-Miranda, M.D.

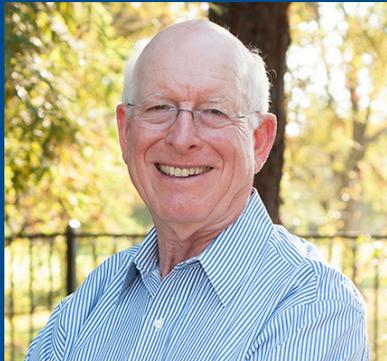

Dr. Juan Fernandez-Miranda is Professor of Neurosurgery and Surgical Director of the Stanford Brain Tumor, Skull Base, and Pituitary Centers. He is internationally renowned for his expertise in minimally invasive brain surgery, endoscopic skull base and pituitary surgery, open skull base surgery, and complex brain tumor surgery. Upon completion of his residency, he was awarded the Sanitas Prize to the best medical postgraduate trainee in the country.

Dennis H. Kraus, M.D.

Dennis Kraus, M.D., F.A.C.S. is the Enterprise Consultant in Oncology, Philanthropy and Strategy at CommonSpirit Mountain Region. CommonSpirit Mountain Region is an ecosystem of 20 hospitals across Colorado, Western Kansas, and Utah. He has expertise as it relates to minimally invasive thyroid surgery, robotic surgery of the head and neck and sentinel node biopsy for cutaneous malignancies. He has been a strong advocate for the use of minimally invasive surgery in the sinonasal region and skull base.

Paul J. Donald, M.D., FRSC(c)
Professor Emeritus

Dr. Donald founded the Head and Neck Surgery and Skull Base Surgery Programs at UC Davis Medical Center when he joined the Department of Otolaryngology-Head and Neck Surgery in 1973. Dr. Donald was the founding President and long-time Board of Director member of the North American Skull Base Society. He served as an Associate Editor for the Journal of Skull Base Surgery and have over 200 publications. In 2011, Dr. Donald retired from practice, but he continues to contribute to resident and fellow education.

Parking reserved for non-UC Davis guests in Lot 19.
